The NDAA covers everything from jet strike fighters to housing for military families.

It also de-criminalizes both sodomy and bestiality.

In a [press release](#) from the US Senate Committee on the Armed Services (Chairman - Sen. Carl Levin, D-MI) from June 17, 2011, under the [Military Personnel Policy](#) section (page 9), it clearly states that the Committee has added to the Fiscal Year 2012 NDAA the following;

“Also repeals Article 125 of the [UCMJ](http://www.examiner.com/topic/ucmj/articles), relating to the offense of sodomy.

The Library of Congress has recorded and saved for posterity every letter and number associated Senate bill, S. 1867. [Specifically](#);

“S. 1867 National Defense Authorization Act for Fiscal Year 2012

Sec. 920c. Art. 120c. Other sexual misconduct

(d) Repeal of Sodomy Article- Section 925 of such title (article 125 of the Uniform Code of Military Justice) is repealed.

On an official US Air Force [website](http://www.au.af.mil/au/awc/awcgate/ucmj2.htm), Article 125 of the UCMJ (Uniform Code of Military Justice)

formerly prohibited both sodomy and bestiality.

**“(a) Any person subject to this chapter who engages in unnatural carnal copulation with another person of the same or opposite sex or with an animal is guilty of sodomy. Penetration, however slight, is sufficient to complete the offense.**

**(b) Any person found guilty of sodomy shall be punished as a court-martial may direct.**

The [official website \(void\(0\)\\*250\\*\)](#) for the US Senate has listed by name the 93-7 vote in favor of the NDAA.
